Measuring and Fitting Your Wardrobe

Similar to tailoring a fine suit or an evening gown, we will assist you to take the most advantage of your storage space at home.

IVERE Wardrobe comes in four alternate modules of varying width: 45, 60, 90, and 120 cm. In addition, specially designed adjusters are supplied to perfectly fit a spacious walk-in closet or an awkward corner.

Creating and Composing Your Unique Storing System

Just like pairing up your clothing, you can customize your wardrobe to meet your specific needs with shelving, drawers and fittings, to beautifully organize and accommodate just about anything you need to store.

Options and amenities such as colors, door styles, finishing materials and accessory items refine the final appearance of your wardrobe, creating a designer look with affordable practicality

Dressing Up Your Wardrobe

Cool sophisticated glass, warm sumptuous wood, the choice and combination of finishes and materials give an added flair to our wardrobe collection.

No matter what your preference is, VIVERE Wardrobe will complement your fashionable lifestyle

Sharper Look, Simpler Life

VIVERE WARDROBE

VIVERE Wardrobe combines sleek modern look with a smart storage system that sits equally well in a compact apartment space or in a spacious house.

Extended range of configurations and finishes offers great flexibility. Quality hardware and precise factory-built modules ensure durability.

Whether you're lucky enough to have a special place at home dedicated to dressing or merely a tight corner, VIVERE Wardrobe will enhance it while maximizing every bit of space.
