Time to (re) Decorate

We are nearly arriving at the mid year of 2021. Despite of the pandemic situation, we need to keep ourselves productive to maintain the immunity. Within limited activity due to the spread of Covid-19, the trend of work and school from home becomes daily habit. An adaptation of work style needs to be more adjustable, especially among family member. Now, this is the perfect time to (re) decorate your home to be more convenient to gain more productivity.

Small step of adjustment is really matter. Our selection of products will help you provide more change into your work or leisure area. Decorative object, cushion covers, storage, wall clock and reed diffuser are the range of product that we have offers to re (decorate) your home. Small changes can make great impact for those who matters the most. This accessories collection can also be a gift to symbolize gratitude to your loved ones.

For this time being, we would like to thank you for letting us be the bridge towards your special moment. As for safety reasons, all VIVERE's store (Jakarta, Surabaya and Bali) are following the strict health protocol & physical distancing. To accommodate more, customer may also make their purchase via website www.viverecollection.com, or chat our virtual product consultant (08111023703). Hand Woven Lifestyle

by *retota*
HANDWOVEN LIFESTYLE

Simplicity and functionality becomes the most important thing to accompany your home decoration. Based on the needs of comfort material, Retota comes with hand woven lifestyle products, which are using cotton and polyester as main material. Cotton material was known for its comfort and tenderness, on the other hand, polyester was not easily crumpled. This collection covers unique products, such as cushion cover, table runner & chesse pillow.
